

School Health Alliance
FOR FORSYTH COUNTY

Keeping students healthy, fit and ready to learn.

Now offering Sick Visits via Telehealth!

The School Health Alliance for Forsyth County is now offering sick visits for WS/FCS employees via telehealth. If an employee becomes ill, they can be seen by a licensed medical provider on the same day at their school. Call the phone number below or visit our website for more information about the School Health Alliance and what services we provide for WS/FCS employees.

We can assess/treat the following symptoms via telehealth:

- Abdominal pain, vomiting, diarrhea
- Cold and flu-like symptoms
- Conjunctivitis (pink eye)
- Cough
- Ear, nose and throat pain
- Fever
- Headaches
- Mild allergic reactions
- Rashes, insect bites, cuts, burns
- COVID exposure and/or symptoms
